

This compromise Conciliation Agreement is entered into by and between the South Carolina Human Affairs Commission (hereinafter "Commission"), on behalf of hereinafter "Complainant"), versus hereinafter (hereinafter "Respondents").

WHEREAS, a verified complaint was filed on June 7, 2018 by Complainant against Respondent alleging a violation of the South Carolina Fair Housing Law and dual-filed with the United States Department of Housing and Urban Development (HUD) under the Federal Fair Housing Act, as amended.

I. CASE SYNOPSIS

Complainant alleged that when African American tenants report a problem about a tenant of another color, nothing gets resolved, but that Respondents will issue lease violations to African American tenants. Following a dispute between Complainant and another resident, Respondents attempted to hold a non-mandatory meeting to discuss the situation with both parties. After this meeting date, Respondents sent notices to Complainant and the other involved resident, which stated that further incidents would result in a lease violation and that three lease violations could result in lease termination. Complainant subsequently transferred to another building.

Respondent denies having discriminated against Complainant, but agrees to settle the claims in the underlying action by entering into this Conciliation Agreement.

WHEREAS, the Commission and the parties hereto wish to reach a just resolution of the aforementioned dispute, and reach a full, equitable and final settlement of all matters arising out of the aforementioned complaint.
